

## CLAIMS

1. A turntable record having a track with at least one scale of notes and/or series of chords of a predetermined musical key, the scale being diatonic, pentatonic, whole tone or one of the modes.
2. A record according to claim 1 wherein there is silence for a predetermined time between adjacent notes and/or chords.
3. A record according to claim 1 wherein said track is provided with a scale of notes in their natural order.
4. A record according to claim 1 wherein said track is provided with a scale of notes in a random order.
5. A record according to claim 1 wherein the scale of notes and/or series of chords provided on said track are provided in a different manner on another track.
6. A record according to claim 5 wherein said track and said other track are unconnected.
7. A record according to claim 5 wherein said track is connected to said other track.
